# CUSTOMS BONDS

## Your Guarantee to U.S. Customs

A Customs bond is a legal requirement for most importers to ensure compliance with U.S. Customs regulations. It serves as a financial guarantee that duties, taxes, and fees owed to the government will be paid—even if the importer fails to do so.

At Just Your Broker Inc., we help importers determine the right type of bond for their operations and ensure it's filed correctly and promptly.

We offer:

- ✓ **Single Entry Bonds** – Ideal for one-time or occasional shipments
- ✓ **Continuous Bonds** – Recommended for frequent importers and entries through multiple ports
- ✓ **ISF Bonds** – For ocean shipments to meet the 10+2 filing requirement

**Protect your business, stay compliant, and import with confidence—powered by the right Customs bond.**
