## CORPORATE OVERVIEW

At Just Your Broker Inc., we take pride in educating our clients and providing guidance on understanding the government regulations. Our services do not just end at Customs clearance, we believe in helping you to understand the entire import/export process. An unknowledgeable customer is a customer that may incur penalties, and fees. Come to a place where we care about the risks you face. With a strong attention to detail and a knowledgeable team, we can overcome obstacles. Together, we are a team! Contact us today to see what we can do for you.

## DIFFERENTIATORS
